**WEATHER FORECAST FOR SEA AREAS AROUND THE ISLAND DURING
NEXT 24 HOURS (Issued at 1200 noon on 07 July 2019)**

Showers will occur at a few places in the sea area off the coast extending from Puttalam to Matara via Colombo and Galle. Mainly fair weather will prevail over the other sea areas around the island.

Winds will be South-westerly and speed will be (40-45) kmph in the sea areas off the coast extending from Hambantota to Batticaloa via Pottuvil and the sea areas extending from Puttalam to Mullaitivu via Mannar and Kankasanturai. Wind speed will be (30-40) kmph in the other sea areas around the island.

The sea area off the coast extending from Hambantota to Batticaloa via Pottuvil and the sea areas extending from Puttalam to Mullaitivu via Mannar and Kankasanturai will be rough at times as the wind speed can increase up to (50-55) kmph.

Naval and fishing communities are requested to be vigilant in this regards.
