Special Note: During this Landslide Early Warning period, please pay attention to the following:

- L Pay your attention to the following pre landslide signs,

springs

2. People should move immediately away from the areas where they noticed the above preJandslide signs.
  3. Furthermore, people living in landslide susceptible areas should be extra vigilant and should be ready to move quickly to safe places if heavy rain continues.
- Note: Communities are advised to follow the instructions given by National Building Research Organization and Disaster Management Center.
