

# FORECAST FOR NEXT 36 HOURS ISSUED AT 1600 HOURS ON 14th JULY 2018)

The possibility for increasing wind speed is still high over the Island and surrounding sea areas. It will continue further in next few days and also a slight enhance in the showery condition is likely in the south-western part of the island in next few day (from 15th July to 17th July).

Showers will occur at times in Western, Sabaragamuwa and Central and provinces and in Galle and Matara districts.

Several spells of showers will occur in North-western province'

Strong gusty winds up to 50-60 kmph are likely over the island.
